

What we tax-payers need from City Council.

- 1) **Public reports** of how the goals and objectives (as outlined in Mr. Fearn's contract) have been met. Report #1 at five months, report #2 at eight months, and report #3 at ten months.
- 2) If Mr. Fearn is submitting monthly reports to City Council, those need to be made public.
- 3) For many months, we citizens have been promised a website (associated with this contract) where we can submit our ideas about community engagement. That needs to happen ASAP!

- **Task 1:** Kick-off
- **Task 2:** Stakeholder Analysis, Inventory, Discovery, Research, Exploration
- **Task 3:** Continuous Learning and Capacity Building
- **Task 4:** Citizens as Co-creators
- **Task 5:** Synthesis of data and lessons learned from the Inventory, Discovery, Research

- **Task 1:** Identification of options: Identify desired option. Determine what has worked. Next Steps/Implementation coaching. Design Community Engagement Function(s)
- **Task 2:** Closure, reports and next steps

Ongoing coaching, capacity building and facilitation services during the initial phases of project implementation activities.
