YOU'RE INVITED

CENTRAL RALEIGH CAC

Citizen Advisory Council Meeting

What is a CAC?

Every Raleigh resident, 18 and older, is a voting member of a Citizen Advisory Council (CAC) — a direct link between our neighborhoods and City government.

Come out to the next Central CAC meeting to hear from candidates for the city council seat for District D, which includes much of downtown and west Raleigh.

Also, see a presentation about The Oakline, a proposed elevated pedestrian connection from downtown to Dix park, and give your feedback to designers.

Come out, share your voice, and meet your neighbors.

Share your thoughts on what topics matter in your community.

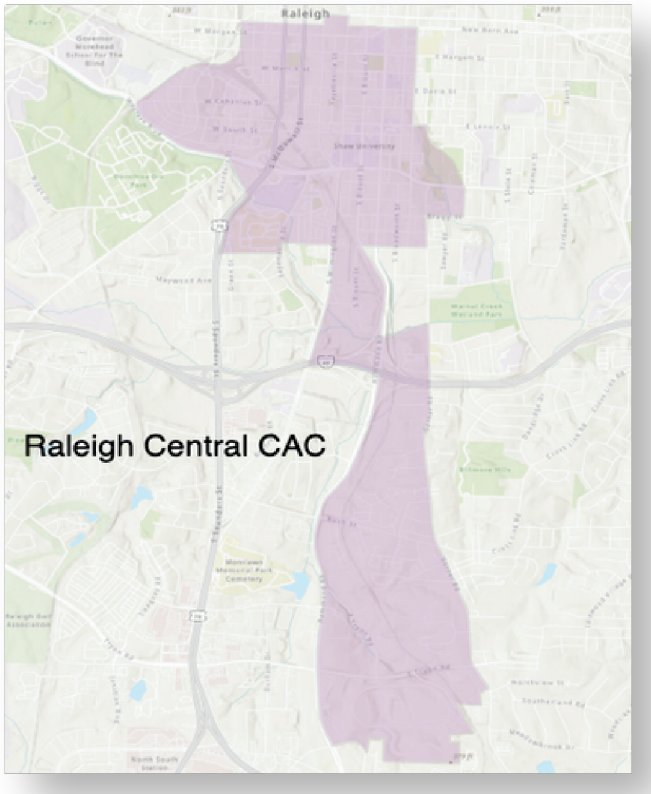

Learn more about CACs at raleighcac.org.

If you'd like to be involved, but cannot attend this meeting please email raleighcentralcac@gmail.com.
